Policy Code: 3320 School Trips F. Transportation and Other Accommodations

If student transportation is provided by a Wake County System owned vehicle, the school system vehicle liability coverage is applicable to any vehicular accident.

When privately-owned vehicles are used for transporting students, parents of the students are to be notified of the following. **Whenever student transportation is provided by a private vehicle, the vehicle owner’s liability coverage is applicable for vehicular accidents.** Parents, drivers and owners of the vehicles must acknowledge in writing that they have received notice that the board's liability insurance does not cover the use of private vehicles to transport students for school activities or athletic events.

Parent or adult drivers should be aware that they may be held responsible for injuries to any individuals they are transporting and must certify that any private vehicle used is covered by at least the minimum North Carolina State required insurance coverage. I (the driver) also understand that I, or the owner of the vehicle being driven by me on this trip, may be responsible for injuries that occur to the individuals being transported. I (the driver) further certify that I have a current operator’s license that has not been suspended or revoked for any reason, which authorizes me to drive the vehicle being used in the state of North Carolina and that I have not been charged or convicted of any motor vehicle violations, other than minor traffic violations, within the past 5 years.
